MEMORIAL GARDEN

We still have 14 memorial plaques to put in place in the garden. Two or three young strong men could have this job done in a couple of hours. I will continue to manage the selling of the plaques and will always be around to give advice if needed [John McLelland / 07906871664]. Many thanks to the person who kindly donated the winter flowers which are very much appreciated!

mary's
meals

a simple solution
to world hunger

Volunteers from Mary's Meals visited us last weekend. They have shared their thanks directly with Fr Mallya but also wanted to pass these on to us personally. The collection raised an amazing £1421.74! This will provide daily school meals to 74 children for a whole school year which is just fantastic. Thanks again for your prayers and support.

PARISH GARDEN MANAGEMENT

May I invite the "Garden Angels" and anyone else to the garden after 10.00 am Mass on Wednesday to remove the summer plants and to put all the pots away for the Winter.

It is with regret that after the 31st October, I will be retiring from garden duties. I made an appeal in Spring for someone to take charge of the garden but, so far, have not had a response. Now, I must step aside as I have many other duties in the Church to organise.

At present we have a good small team of "garden people" with Tommy cutting the grass and Sandy ensuring all the hedges are trimmed and we also have four ladies helping so there is a good team in place. However, we need someone to co-ordinate the team. If you can help, please speak to me (John McLelland). Many thanks.

Please continue your support by bringing food items to go to our Charity Shop. These can be left in the box at the back of Church before each Mass.

CHURCH STALL

The stall now has many Christmas cards and calendars. Why not join the Christmas Club and spread the cost of Christmas?

St Pat's/ St Brendan's have been asked to participate in The Rotary club's "Wrap Up Project" again this year and we have agreed to do so. We are being asked to donate coats and anoraks that can be collected, sorted out and then distributed to charities working with those in our communities in greatest needs and who would benefit from a warm winter overcoat or anorak. Nothing collected is sent on for selling elsewhere. The Project has been running 3 years now and has proved very successful. Local people have really participated and have donated a real abundance of coats and anoraks. Let's see if we can do well again with his year. Over the next two or three weeks a large "Wrap Up" donation box will be available for donations at the back of both St Pat's and St Brendan's. Search all your wardrobes and donate what coats and anoraks you can. Many thanks.
